

RPL THEORY COURSE

Overview

The RPL Theory Course is tailor made for students who are currently doing their RPL and will have their first exposure to CASA style exams.

By the end of the 4-weekend course you will have covered all the topics you will be tested on and understand the methodology used to obtain the answers. Topics will include: Aerodynamics, Air Law, Performance, Human Factors, Meteorology and Aircraft Systems.

These courses are delivered by our experienced aviation theory teachers who will guide you through the course from start to finish and assist with any problem areas.

SFT will provide:

- All theory content
- Classroom materials
- Practice exams
- CASA RPL Workbook
- Graduation BBQ lunch
